

South Florida Gas

COMPANY INC.

7970 SUPPLY DR FORT MYERS, FL 33912 PH. (239) 334-3131 FAX (239)334-4621

Dear Customer,

We appreciate your business and in order that we may serve you take a moment to fill out the form below so that we can set up an account for you in our system. We will also need to schedule a Safety Check on your system. If you own the tank you have please disregard #2 on the agreement.

We would also like to answer any questions you may have regarding our company so we have listed a few FAQ below

Credit Policy

Our terms are - All gas invoices are due net 30 days from delivery.
All service work is due upon completion.

There are a several convenient ways to pay.

- You can send in your payment after you receive your invoice.
- You can make a payment online at www.southfloridagas.com/pay-bill/ .
- You can also put a credit card on account to be charged for delivery or service calls, and a receipt will be mailed or emailed to you.
- You can get your invoices emailed to you, just call our office and it will be added to your account.

Accounts not paid in full by the end of the month can be placed on prepaid deliveries, unless other arrangements for payment are made. A monthly service charge of 1 1/2% per month (A.P.R. 18%) will be assessed on all unpaid balances.

Auto Fill program

When you are enrolled in the Auto-fill program we still encourage you to keep an eye on your propane gauge, as during power outages and stormy weather, or even guest visits, your propane consumption can change without us knowing. South Florida Gas will try to anticipate your changing usage during the winter seasons and increase frequency of propane fills but it is not a guarantee that you won't run out. Please inform us of any changes to your consumption to avoid running out of propane.

Will Call Accounts

Please remember if you have chosen not to take advantage of our Auto-Fill program and are on a will call basis there may be a 7-10 day delay. Please return the signed Will Call page along with your agreement.

If it is an emergency and we are required to detour from our normal scheduled route to fill your tank there will be a \$95.00 trip charge.

FYI - There are no extra charges to be on our Auto-Fill program and this helps both you and our company save time and money by getting regularly scheduled deliveries. If you are on a will call basis you can change that at any time by either calling us or sending an email to info@southfloridagas.com and we will make the necessary adjustments to your account.

If you have any questions regarding your account please feel free to contact us at (239)334-3131 and we will be happy to assist.

Sincerely,
Charles Robb
President
South Florida Gas Co. Inc.

AUTO-FILL PROGRAM

- Never run out of propane again!
 - Automatic delivery & billing services
 - Peace of mind despite harsh weather conditions
-
- The Auto-fill program is a cost saving program, where South Florida Gas passes savings along by discounted propane fuel prices. As we deliver to almost every area of Southwest Florida at least once a week we are able to schedule deliveries when the truck is in your area. Based on your propane usage we setup a frequency of yearly, monthly or weekly basis and track your propane fuel consumption and are able to save time and delivery cost.
- 
- If you would like to join the Auto-fill please check Auto-fill on the agreement form sent to you or you can contact the office to setup your account. (Leased tanks will automatically be set up for the Auto Fill program).
- When you are enrolled in the Auto-fill program we still encourage you to keep an eye on your propane gauge, as during power outages and stormy weather, or even guest visits, your propane consumption can change without us knowing. South Florida Gas will try to anticipate your changing usage during the winter seasons and increase frequency of propane fills but it is not a guarantee that you won't run out. Please inform us of any changes to your consumption to avoid running out of propane.
- 

How Does Auto Fill Work?

The Auto-fill program is designed to make life easier for you. We have a computer program that looks at your history and compares with the current weather conditions. Based on this we can get reports that help us determine when to fill your tank. That way you can rest-assured your propane needs are being taken care of.

Auto Fill simply means that you no longer need to worry about checking the gauge on your propane tank and calling in to schedule a delivery. South Florida Gas will take care of monitoring your propane usage, and will route a truck to fill your tank only when you're getting low (usually when the tank is about 20-30% full).

We believe in over-delivering on service, not gallons!

Please note: Deliveries are not scheduled on an incremental time basis, but rather controlled by weather conditions and fuel load (the number and types of appliances that use the fuel). Auto-fill is continuous and perpetual -- this means you may receive a delivery during the off season. **It also means that you will remain on Auto-fill until such time that you request a change.** If at any time you want to take yourself off or resume the Auto-fill program we require that you sign and return a "Delivery Status Change Request" form. You may request a form by contacting our office.
